A LA PEPI

Pizza je ideja loškega župnika po imenu Jože, klicali smo ga Pepi. Ker nikoli ni vedel točno kaj bi dal na pizzo, smo mu dali možnost, da si izmisli svojo pizo in nastala je pica Pepi. Sedaj je na meniju že 15 let in še vedno najljubša pizza naših gostov.

Pizza is the idea of a village priest named Jože, we called him Pepi. Since he never knew exactly what to put on his pizza, we gave him the opportunity to invent his own pizza and the Pepi pizza was born. It has now been on the menu for 15 years and is still the favorite pizza of our guests.
